3. Valuations placed in the auction catalog are either the Standard Catalog listings (for which we use the word "list"); or prices generally asked by dealers when the coin is in stock (for which we use the word "worth"); or prices generally realized at auctions (for which we use the word "brings").

We trust the above information will help you in securing coins in our auction sales.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. You must be satisfied.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogues.
